Event description:

Step back in time and experience the magic of shooting on 16mm film this Sunday, April 21 from 12 to 2:30 PM at CCAM Leeds Studio! This workshop is organized by the Yale Cinematic Productions, the sole filmmaking organization on campus.

Join us for an immersive workshop where you'll learn the art and craft of capturing moments on celluloid. Led by talented cinematographer Joji Baratelli '24, this hands-on experience will take you through the entire process of purchasing, developing, and cutting film. Discover the unique aesthetic and tactile quality of shooting on film, and explore the creative possibilities it offers.

Whether you're a seasoned filmmaker looking to explore new terrain or a newcomer eager to explore the world of analog filmmaking, this workshop is sure to inspire and ignite your passion for the art of storytelling through celluloid. Don't miss this opportunity to step into the past and create timeless works of cinematic art on 16mm film!
