Light as Material - Workshop and Conference

Event time: Friday, March 29, 2024 - 10:00am to 7:30pm
Location: Center for Collaborative Arts and Media (YORK149) See map 149 York St
New Haven, CT 06511

Event description:
Join us for “Light as Material” workshop.

During this workshop (facilitated by Marine Rouit-Leduc), we will discover different ways to design with natural and artificial light and create an object that plays with the color of light.

WORKSHOP (including conference)
Center for Collaborative Arts and Media (CCAM)
29th March, 10 am • 7:30 pm
30th March, 10 am • 6 pm
